Details are as follows:

The cost for this trip will be \$10 and includes a snack and the permit for the bus to take us through the designated area for viewing the lights and also the driver tip. TEGSA is making every effort to help save the environment so we will not provide bottled Water and request you to bring your own water/beverage.

The minimum stay required by the Casino is 5 hours so we will leave the Casino at 6.45 p.m. and then after tour to view the lights, head back to Toronto. The expected arrival time at Commander should be around 9 p.m.

You will also receive a \$10 incentive in slot money once you get to the Casino. The Casino will be monitoring our participation in order to receive the same benefits in the future so this trip should be taken by those who enjoy participating in the Casino activities. If we do not get enough TEGSA members, we will open it to non-members who must be 19 years or older.

All persons taking this trip will be required to carry a Government issued valid photo identity.
