

February 22nd - Whist and Bingo Drive:

It was a blustery Friday evening when more than 60 members gathered at Commander Hall for their favourite games of Bingo and Whist. After two rounds of bingo, it was time for a snack break. Grace was said by Barbara Jalali and appetites were satisfied with a delicious snack plate served by Winnie Gomes. February 22nd was also our Vice-President Jean Andrade's birthday and Dora Noronha, our organizer for the event, got the crowd to sing a Happy Birthday to Jean. Following this everyone was ready to get started. Netto Noronha read the instructions to the game and everyone was delighted when Netto announced there would be a total of 12 games. Ramos Lima won the first prize, the 2nd prize went to Maneck Anklesaria and third prize to Elfreida Colaco.
