

January 24, 2014 – It's Party Time

It was frigid outside, with temperatures in the minus 15s and winds upwards of 100 KPH. No one with a delicate constitution should be venturing out in this weather however, our members are tough. In fact 152 of showed up at Commander hall to start off 2014 with a bang.

The entertainment for the evening was provided by Bosco Thomas. Armed with his keyboard and a computer loaded with accompaniment he churned out music to satisfy everyone's taste including the die hard line dancers.

Delicious - and spicy - fish curry and rice was supplied by Patsy and Tony Reveredo.

The bingo jackpot, donated by Doug Fernandes, was won by John D'Souza in 57 numbers.

All in all, a pretty warm evening on a cold winter's night.
