

Jan 25th – Karaoke Night

There may not have been a big stage or fancy lighting but Karaoke night was a night to remember. Our MC for the evening, President Joachim Menezes, welcomed everyone to an evening of fun, laughter and extraordinary talent. The Grace said by Melissa Monteiro was followed by an appetizing dinner consisting of fillet of sole, veggies, roasted baby potatoes and dessert catered by Portugril.

Then it was time for the show to begin and the evening came alive. Our talented stars for the night were Francis Fernandes, Romualdo Fernandes Wilfred Saldanha, Vitus Gomes, Elizabeth Prabhu, and Rose Vas who performed to a thunderous applause from the audience. The biggest surprise was our very own TEGSA Tarts who entertained the enthusiastic audience with their fantastic voices.

Finally our members packed the dance floor to the music of DJ Vinod Monteiro and the evening ended with bingo. Most people did not want the evening to end but all good things have to come to an end, and in good TEGSA tradition, everyone helped in the clean-up. All in all, a fantastic evening was had by all.
