

**June 9<sup>th</sup> – Pilgrimage to Teopoli - The City of God:**

Our Trips Co-ordinator, George Fernandes, did some research and discovered this beautiful spot in the Muskokas. 101 members and guests boarded two buses from Commander Blvd. at 7:00 a.m. The drive was both enjoyable and scenic with fun activities and snacks on the bus. Teopoli is on secluded land on private property that is good for the inner being. It is serene and quite beautiful, complete with lush vegetation and running streams. We were privileged because Holy Mass was celebrated for us with great singing from the choir. We made the Stations of the Cross on a route designed specifically for that purpose. We recited the Rosary and sang praises to Our Lady. A trip worth doing again.
