

Nov 2- Mass for the deceased

Over 200 people gathered together to pray for the deceased members and their families on Friday, November 2nd. His Excellency Archbishop Lawrence Saldanha celebrated the Holy Mass for us. His meaningful and compassionate homily, punctuated with a bit of humour, had an impact on the members. The Canorient choir was outstanding, the selection of hymns simply awesome, and Joachim Menezes' organ music amazing - all of which set the solemnity for the evening. The collection of \$643 was graciously accepted by the Archbishop with the promise that he would forward it to the nuns in Pakistan to help with the educational needs of teenage girls. The evening ended with snacks and Bingo.
