

October 11th - The Celebration of the Rosary:

The TEGSA community is both a fun-loving and a prayerful community and lived up to both these traits today. The occasion was organized by our Cultural Secretary, Dora Noronha, and celebrated by Brother Antonio of the Heralds of the Gospel.

Our Lady's Statue was brought in procession by Brother Antonio to the singing of 'Rozari Saibini' while five of our members' grandchildren scattered flower petals from their little baskets in the path of Our Lady. Brother Antonio placed the statue on the altar and our Lady was crowned by Vice President Jean Andrade and Cultural Secretary Dora Noronha placed a rosary in Our Lady's hands. The choir accompanied by Jason Colaco and Vitus Gomes on their guitars set the solemnity for the evening. Brother Antonio did a presentation on the rosary and explained to the audience how to pray the rosary. Thereafter everyone joined together to recite the rosary and the solemn celebration ended with the choir singing the Litany. In keeping with tradition, members were served with boiled gram and coconut followed by dinner and bingo.
