

## **September 12, 2014 - End of Summer Bash**

We had again another fantastic turnout of 200+ members and guests for our End of Summer Event Bash! Austin Pinto was the Master of Ceremony for the above event. He thanked the committee for the amount of work put into organizing this event.

Bel Remedios, President, announced the programme which would have been Dinner, Bingo followed by dancing. The Ontario Gaming & Licensing Authority did not give the permission for Bingo, because application was too close to the day. He pleaded with her. But the permission was not given and hence we had to cancel the Bingo. Bel then thanked Austin, Committee Members/Members, Cleo D'Souza for supporting TEGSA and making the job lighter. He also thanked members present for understanding about the Bingo and wished everyone a great time.

They called upon Cleo D'Souza to say the Grace before Meals. The meal was fabulous and it really warmed up the mood!

Announcement was also made re: Whist/Bingo on 26th Sept. at 140 Commander Blvd. DJ Nasim Nasser played excellent music and all had a wonderful time dancing to old and not so old numbers. Absence of Bingo was not felt because all were in the mood to dance. The DJ did an excellent job of keeping the crown on their feet!

Alreid announced 2 birthday celebrations - Joachim Menezes and Iris Coutinho. Happy Birthday was sung.

Pompi as usual shared some hilarious jokes. Dancing continued till the end. Everyone had a great time!
