

## **Sep 7 - Goan Festival**

For Juliet Matkar it was the first kick at the can to be emcee and she captured the interest of members with her wit and humour. Vicky D'Souza, a former Social Secretary, was invited to lead the Grace. And what a meal- a veritable feast of fish curry, chicken, vegetables, rice and fruit salad catered by Konkani Delight. Soon after dinner Dr. Anthony D'Souza took to the mike to give us valuable information on dental hygiene and how we should take care of our teeth. After his presentation Dr. D'Souza opened the floor to questions and patiently answered concerns from the audience.

And what would a Goan Festival be without some melodious Konkani music? Led by Juliet Matkar, Agnelo and Yolanda Gracias, and accompanied by Vitus Gomes on the guitar, the audience sang some old favorites which brought back nostalgic memories of palm trees and beautiful sunsets in Goa. Vinod spiced the evening with music hailing all to the floor and the evening ended with a game of bingo ..

Deo Boray Korom to Fatima Lawson - the evening was a huge success.
