

CASINO NIAGARA TRIP – FEBURARY 25, 2017

Another exciting trip to Casino Niagara organised by Violet Monteiro who put in a lot time, hard work and effort to make this trip a success. She had assistance on the bus from committee members, Sheilah D'Souza and Inno Soares and his wife Rosemary.

As planned the bus took off at 8:30 with the offering of prayers for a safe trip. It was a dull and misty day but the driver made it to the Casino in an hour and half. During this time everyone was kept busy consuming the snacks put together by Violet and we also had a surprise delicious patty snack kindly made and offered to us by Anna and Bento D'Cruz. We also had a game managed by Inno and Rosemary and the lucky winners received Tim Hortons Gift Certificates. Once the bus came to a halt at Casino Niagara everyone was excited to see the Casino Staff come in and swipe our cards for the \$10 Free Play, after which we also received \$5 refund from Violet .

After that we all dashed for the slot machines hoping to win a jackpot, don't know how many people **WON**, but for sure we all had a **FUN** day.

We started boarding the bus at 3:15 and left the Casino at 3:30. On our return trip we were kept entertained and singing was led by Sheilah accompanied by other talented singers with English, Konkani and Portuguese Songs, and got back safely at 5 pm.

Thanks Violet and TEGSA members for all the hard work put in, to organise this trip. We look forward to another fun filled trip sometime soon.
