

VALENTINE'S DANCE, FEBRUARY 14, 2020

The TEGSA'S Valentine Dance was held on Friday, February 14, 2020...wow, the actual Valentine's Day! Though the weather did not match our moods, members showed up in large numbers and the hall was packed to capacity. This was the second event we attended, the first being the New Year's Dance. Both were a tremendous success.

After registering, we were greeted with heart shaped chocolates. The ambiance was charged with everyone dressed in vibrant valentine colors of red, pink, white and black. Lucky, there were no bulls lurking around, waiting to charge.

The music was great and catered to all ages and got every dancing pair of shoes on the floor. The 'Four Corners' game was hilarious, the titles suggested such fun, i.e. 'Cheek to Cheek', 'Bum to Bum', 'Chest to Breast' and 'Lady on Gent's Knee' - it sure tested the skills of lovers.

After the Grace before Meals was said, our taste buds were taken care of by Konkan Delite, with their delicious spread of Pulao, Chicken Xacuti, Roast Beef, Vegetable cutlet and Diplomat pudding...a feast set before the kings and queens. We were delighted by the red velvet cupcakes delivered to every table, what a nice surprise! After a hearty meal, the music continued for those who wanted to burn the extra calories, till it was time to play Bingo. Great cash prizes awaited the Bingo winners. The bingo game announcers, kept us in splits of laughter.

Before Bingo, President Austin Pinto, thanked everyone for attending the function and to the organizing committee for the splendid job done. He mentioned that the credit for the success was mainly due to the dedicated and passionate efforts of the Events Coordinator, Isabel De Souza.

We all know that achievement and success does not come by accident. Your talents and efforts have helped you all to achieve excellence in many areas. Kudos to all, you have set the bar high!!

The evening ended well and in good time. We enjoyed ourselves.
