

MOTHERS' DAY – MAY 6, 2022 – WRITE UP BY LILY MENEZES

Members walked in to see the male committee members decked out in suits and bow ties - talk about adding 'class' to the evening. We knew we were in for an entertaining night. The men did not disappoint. Our President, Joachim Menezes, served as MC and started off the festivities by welcoming everyone. He then introduced Merryle D'Souza who said a prayer followed by Grace. Dinner was scrumptious - catered by Your Essential Kitchen. But the 'icing on the cake' was that we were served by 'waiters' in suits and bow ties. What a treat!

DJ Joe Menezes played fun music which had everyone on the floor – there was something for everyone – line dances, cha-cha, jive, the macarena and other fun numbers. But we had so much more – Joachim organized individual and group singers singing special songs dedicated to wives, mothers and all the women present. Lorenzo D'Souza, Joachim Menezes, Trevor D'Sylva, Paul Madeira, Romualdo Fernandes and Doug Fernandes did a fantastic job. They were so good, I think they should enter Canada's Got Talent.

Joachim asked for a 'show of hands' vote on whether to start the evening with Bingo or end it with Bingo. Vote went to end with Bingo.

The really happy night was sealed with Bingo. We had a full house so the prizes were really good and I'm sure the winners went home fully satisfied.

The whole evening was well planned, it went off without a hitch and everyone had a great time. We are looking forward to the next fun-filled evening.

I'm sure all members appreciate the hard work and dedication that the Committee members put in not only for this event but for all the events. Thank you.
