

HOLY ROSARY – OCTOBER 27, 2023 – WRITE UP BY DOROTHY D’SOUZA

On October 27th, I attended the Rosary event organized by TEGSA and wish to state that it was very well organized and started on time. Although there was no projector for words of hymns, people participated whole heartedly.

Paul and Rose Madeira were instrumental in recruiting prayer leaders; setting up the altar so beautifully with Our Lady’s statue and flowers. Other TEGSA committee members assisted with refreshments and the evening concluded with a sing-a-long that was enjoyed by all that stayed after the Rosary.

I add my thanks and appreciation for offering us opportunities to meet fellow seniors – not just for entertainment but also religious events such as the Rosary and mass for the faithful departed.
