

**Karaoke and Bingo - February 23rd, 2024. Write up by: *Fatima Lawson***

The Karaoke and Bingo event started off with a bit of a glitch as the organizers tried getting the karaoke machine to work easily.

Once this was accomplished the assortment of singers went from ladies to gents to groups. Songs were selected from a variety of repertoire like Elvis, Connie Francis, the Beatles, Jim Reeves etc. Some folks got up to dance while the singers performed while others just enjoyed themselves and applauded.

After the karaoke a snack box was provided to everyone which was then followed by two games of bingo.

Overall the night was a great success and enjoyed by all.

Thanks to the Tegsa committee for organizing such fun filled events where members have an opportunity to come out on a Friday evening and spend time with family and friends.

Cheers to all!
