

MOTHER'S DAY CELEBRATION AT TEGSA

A full capacity crowd participated on May 5, 2016 at Commander Park Community Centre, for TEGSA's celebration of Mothers Day. Our very seasoned MC was Fatima Lawson, who put everybody in the right mood by reciting a couple of poems about mothers, one of which was forwarded by Sheilah D'Souza and telling the group a few jokes.

Our social secretary, Sheilah D'Souza, could not be present but she organized the whole event with her committee, including a guessing game for the ladies present, of famous women which was won by the following:

Melba Menezes – first

Annie Samuel – second

Table #7, headed by Mavis Pecus – third.

Our caterer, Konkan Delite, provided his usual delicious dinner of chicken sukha, pulao, mixed vegetable and pork vindaloo and mango delite for dessert. Thank you to everyone who helped with serving the meal.

Our DJ was Joe Menezes who wowed the crowd with his old familiar tunes. Our guest star Pompei was present to get everyone going with his moves and everyone had a good time.

Our President Austin Pinto ended the evening with a short speech of thanks. This was followed by two sessions of Bingo, one of which was called by Juliet Matkar and the second by Paul Madeira. Thanks are due to our Tegsa committee for all the hard work put into organizing this event and Fatima for being a very efficient MC.
