

Our Lady of Fatima Rosary

This event was superbly orchestrated by Sheilah D' Souza. It was communal in nature due to several members participating.

A procession was led by Loretta D' Silva who carried the statue of Our Lady. She was followed by each appointed leader of the Rosary decade carrying a white rose symbolic of the petals that were showered on the crowd 100 years ago at Fatima. The leader was followed by 10 members who each recited a bead of the rosary. The leaders led the community in meditation of each mystery. The rosary concluded with a hymn to Our Lady of Fatima.

Ja Devas led us in Grace prior to the sumptuous and delicious Thanksgiving dinner, catered by Konkan Delite and served by volunteers. There were second helpings too.

There was a special prayer for a member present who was diagnosed with cancer.

This was followed by entertainment provided by Joan Fonseca and her troupe. She then led a host of enthusiastic members in several line dance routines.

The event concluded with Bingo, a favourite of many members.

A big thank you to Sheilah, the volunteers, participants and members who attended, as everyone did their part in making it another successful event.
