

SPRING BLOOMS:

If this has been mentioned before, then it is worth repeating...the Committee is doing a great job. Always endeavouring to come up with great ideas for our social events. Consequently, members are excited to attend the show. When an event is posted, we are encouraged to register early to avoid being disappointed.

The MC for the evening was Sheilah D'Souza. There were some beautiful flower arrangements brought in by our members. In all we had 16 exhibits.

The evening began with Grace said by Rita Britto followed by a delicious meal of rice, shrimp curry, vegetables and mango mousse, catered by Konkan Delite.

After a scrumptious meal, Sheilah invited all members to come up and view the exhibits. The judging was done by Hilary and Elsie Fernandes. Hilary spoke about gardening and had some very good tips for all gardeners. The key to good gardening is to "follow instructions." There were three winners:

1 st place	-	Melita Pereira
2 nd place	-	Derrick Fonseca
3 rd place	-	Menino Vas

Dancing followed to the music of Naseem Nasir and the evening ended with Bingo.

Everyone had a lovely evening. Thanks to all the TEGSA Committee members for putting yet another nice evening for all to enjoy.

Another success story for the books.

Anthony James.
