

The TEGSA Whist Drive – February 23, 2018

The Friday evening gathering was a full crowd of card players, proving once again that TEGSA whist drives are always a popular affair. It was heartening to know that many players were new to the game and received help and consideration from regular players. No doubt this will encourage them not only to come back again but also to get better at the game.

The dollar prizes for the Whist were: 70, 50, 30, 20 and 10 with the first prize of \$70 won by Ruth Kempster.

Catering was provided by Golden Spoon a local restaurant-caterer and the finger food and wrap were suitable to the event but yet quite filling to serve as a quick dinner. Our catering committee member discerns the crowd's taste quite well.

Bingo, always a popular end to the relaxing evening, saw the first full house shared by May Rebello and Irenius Rato. The second game full house was won by Rosemary Soares.
