

EASTER CELEBRATION APRIL 26TH 2019

Once again TEGSArians gathered together in fellowship to celebrate Hope, Love and Friendship of the Easter season. The event, as always, was well attended and attendees were greeted by our cheerful and enthusiastic committee members at the door. Austin Pinto, our MC for the evening, greeted everyone and asked for a moment of silence as a token of respect to those who had died in the recent bombings in Sri Lanka.

Austin then invited Carmelita D'Souza to say the Grace and thereafter everyone enjoyed a sumptuous Thai dinner catered by Gavin D'Mello from Mississauga.

Soon after dinner, Austin entertained the audience with a short Easter Trivia followed by Austin inviting attendees at each table to guess the number of jelly beans in the jar at each table and asking them to put their answers down on the paper provided at the table. The answer to this game was "63 jelly beans" and the winner at each table closest to 63 won the jar of jelly beans.

And then it was time for the Easter Bunny's grand entrance and those who had come out in fancy Easter Bonnets joined the Easter Bunny in a lively parade. The judges for the evening were Faye Swift and Clotilda Fernandes and the winners were..... the first prize to the most colourful Easter Bonnet went to Juliet Matkar and the second prize to the biggest and fluffiest Easter Bonnet went to Francis Fernandes. The remaining participants were given a big hug from the Easter Bunny.

DJ Joe Menezes energized the crowd with his music and everyone took to the floor and dance they did – the fox trot, waltz, cha cha cha and line dancing – the floor was packed with everyone having a great time. The evening ended with 2 rounds of bingo with handsome prizes going to the lucky winners!

A lovely end to an EggCellent Evening!
