

CHRISTMAS JINGLES, NOVEMBER 15, 2019

It was a fun-filled evening, getting our lively seniors into the spirit of Christmas. The occasion started off with delightful music by DJ Lawrie Rodrigues, who had guests tapping their feet to the music of yesteryears.

A warm Grace Before Meals led by Babsie Rodrigues started off the sumptuous buffet, catered by Konkan Delight and served by our very own dedicated volunteers. It was a feast of Thanksgiving and Christmas favourites, followed by decadent desserts and freshly brewed coffee and tea.

The line dancing performance by a lively group of Holly Jolly Elves, (all our very own members), led by Joan Fonseca, was a real treat.

Then it was our turn to dance and the DJ got everybody on the floor dancing to their favorite waltz, cha-cha-cha, foxtrot and line dancing...so very much enjoyed by all!

The lovely evening ended with a few rounds of Bingo and many lucky prize winners."

Thanks for the opportunity to participate in this event which Ed and I so thoroughly enjoyed. Keep up your good work! God bless all your efforts and those of your committee.
