

WHIST & BINGO – March 15, 2019

By: Delphine Gonsalves

This was the second Whist & Bingo Event at TEGSA for 2019.

This is a very nice event where the members can interact with other members with whom they normally don't. Usually, everyone sits with their own friends. The members get to know each other and also remember their faces and names.

The event started with Grace before the snacks by Rosemary.

For this event there were 21 tables.

Loretta D'Sylva who is looking after this event could not make it, her husband, Trevor D'Sylva organized this event which went very smoothly with 9 prizes in all which were quite generous, starting with \$90 for the first prize.

The snacks were thoughtfully designed for the Lenten season with tuna and salmon sandwiches accompanied by yogurt. We must be grateful for the thoughtfulness and the hard work, the committee puts into planning these events, especially Clotilda Fernandes and Flora Vaz who look after the catering and working hard behind the scenes.

As usual, the Bingo was conducted by Godfrey Cunningham with the help of Ronnie Vaz. The callers, Fatima and Rosemarie did a good job.

As always, it was an enjoyable evening!

Keep up the good work, committee members!
