

CHRISTMAS CELEBRATION - DECEMBER 4, 2022 – WRITE UP BY CECILIA COUTINHO

It's beginning to look a lot like Christmas and it certainly was feeling like it on Dec 4th when we attended the TEGSA Christmas Gala!

Everyone was in a festive mood, dressed in their finest and ready to have a good time and a good time was certainly had by all!

A full house of over 330 guests were served some delicious apps to stave off those early hunger pangs. Of course the two-man band 'DJ Blackjacks' comprising of Sabby Patrick and Bosco D'Souza did not disappoint. You could not stop the crowd from getting up and dancing to those old familiar tunes.

While getting in all the evening's programme in a timely fashion, the always debonair and charming Masters of Ceremony, Joachim Menezes and Godfrey Cunningham made sure everything went like clockwork. From the serving of apps, to the picking of tickets for the door prizes at regular intervals, our appetizing meal accompanied by the red and white wine bottles and the delicious dessert, and of course more prizes.

It was easily apparent that this evening's event gave everyone a chance to reconnect personally and share some good times.

None of this would have been possible without the hardworking and tireless committee who gave so much of their time so all of us could have a fabulous evening. On behalf of everyone who attended.....Thank You!
