

FISHEE NIGHT – 7TH APRIL 2022 – WRITE UP BY JOAN FONSECA

TEGSA's Fishee Night began with some lovely music played by DJ Nasim and members danced their cares away. Austin Pinto then entertained us with some funny fishee riddles which had us laughing and amazed at some of the great answers. A short prayer and Grace was said by Marielou Pinto. We enjoyed the “fishee food” catered by Your Essential Kitchen - rice, spicy prawn curry, yummy fish fry, vegetable and dessert.

After dinner, everyone came on to the dance floor and danced to the beautiful music played by our DJ for the night. He entertained the ballroom and line dancers alike with his music and kept them dancing.

We even had time for games - two lucky members won prizes (those who had fish pictures stuck under their chairs), spot prizes and even a fishee dance spot prize (when the music ended, the two couples who stood on the two fish pictures stuck on the dance floor).

As usual we ended the night with bingo and many lucky winners.

Thanks to all the committee members for putting up such great events and getting us excited to get our lives back to almost normal.
