

HOLY ROSARY – MAY 27, 2022 – WRITE UP BY SHEILAH D'SOUZA

The Holy Rosary/Food Drive Event to honour Our Blessed Mother celebrated on May 27, 2022 at 140, Commander Blvd., was an evening of prayer where 100 of TEGSA members prayed with one heart and mind. This made me realize that due to the pandemic many were tempted to fear, anxiety and perhaps even despair but, the togetherness of praying the Regina Coeli; 5 Joyful Mysteries and prayers, we put our trust completely in the merciful hands of Our Blessed Mother. The statue of Our Lady of Fatima was venerated during the service.

Thanks to Fatima Lawson for putting this event together with the help of her 8 Readers and Guitarist Titus in song and praise. After, the Grace before meals being said by Alba Fernandes we were served with a plate of scrumptious snacks catered by Janet Rodricks, followed with tea, coffee and biscuits.

The food drive event was overwhelming with canned food brought by members to be sent to Sri Lanka to help a worthy cause.

Last but not least, there was no better way closing this prayerful evening with a sing along by our very own seniors who sang medleys of yesteryears in top singing styles and genres led by President, Joaquim Menezes. However, the crowd insisted on singing while others socialized and met friends after a long time.

Thanks to the committee for a wonderful evening spent.
